Dear Resident:

Thank you for your participation in Frederick County's residential curbside recycling program. You are receiving this letter because you have chosen to lease an additional recycling cart for use in this program. By your signature below, you acknowledge and agree that the recycling cart is for use only in the curbside recycling program and that this cart is assigned to your residence.

Should you move from the residence for which this cart is assigned, and in order for your container rental deposit to be returned, the cart **MUST** be returned to the Division of Solid Waste & Recycling located at 9031 Reichs Ford Road, Frederick, MD 21704. Assuming that the container is returned to the County at the end of the rental period, and is in good condition, the one-time rental deposit will be returned to you in full. No interest shall be paid upon this rental deposit.

Should the recycling cart not be returned to the Division of Solid Waste & Recycling or be returned damaged to the Division of Solid Waste & Recycling, the rental deposit will not be returned in part or in full as determined by the Division.

If you have any questions or need additional information please call me (301-600-2890).

Sincerely,
